

STATEMENT OF COMPLIANCE

For Security Standards for Smart Devices 2025 under Cyber Security Act 2024

DAP B.V. is the legal manufacturer of products brought to market by Versuni Netherlands B.V. and its affiliates. Versuni Netherlands B.V. and DAP B.V. are part of the Versuni group of companies held by Versuni Holding B.V. and are affiliates of Versuni Australia Pty. Ltd., which is the importer of Versuni products in Australia.

DAP B.V. hereby declares that the consumer grade relevant connectable products of Versuni Netherlands B.V. and its affiliates comply with the applicable security requirements under the Cyber Security Act 2024 and the Cyber Security (Security Standards for Smart Devices) Rules 2025.

All Consumer Grade Relevant Connectable Products of Versuni are in conformity with the following security requirements:

1. The password is unique per device or defined by the user of the device, and the password which is unique per device is generated by using a security mechanism that reduces the risk of automated attacks against a class or type of device.
2. User and third parties can report vulnerabilities with our products to Versuni at <https://www.versuni.com/security/>
3. Versuni will provide necessary security updates for a defined support period of at least 60 months after introduction, and for at least 30 months after the last date of production. This applies to all hardware and software components capable of receiving security updates, including pre-installed software, software required for the product's intended purposes, and Versuni-developed software.

If you have a specific question about the compliance of your Connectable Product, please send an email to cybersecurity@versuni.com
